

Week 8 reflections

What do I want to learn or understand better?

For this final sprint, I feel that I have gotten somewhat of a good understanding of scrum, but there is always more to learn.

How can I help someone else, or the entire team, to learn something new?

At this is the final week, I'm not sure if I can help anyone learn anything new.

What is my contribution towards the team's use of Scrum?

Scrumboard and discussions.

What is my contribution towards the team's deliveries?

Taken notes for and written some parts of the team reflections.
